EZ-85

ELECTRIC HYDRAULIC CABLE CUTTER

The EZ-85 is a battery-powered cutter delivering 60 kN of hydraulic cutting force for copper, aluminium and light-armoured cables up to 85 mm diameter. About 70 cutting cycles per charge and a weight of only 7.35 kg keep downtime and fatigue low.

FEATURES

- 60 kN cutting force
- Cuts copper, aluminium and armoured cables to 85 mm
- 18V 4.0Ah lithium battery, fully cordless
- ~70 cutting cycles per charge
- 86 mm stroke for burr-free cuts
- Lightweight at 7.35 kg

APPLICATIONS

 CABLE CUTTING

 CABLE TRAYS

 SUBSTATIONS

TECHNICAL DATA

Cutting force	60 kN
Max cable diameter	85 mm
Stroke length	86 mm
Battery	18V 4.0Ah lithium
Cycles per charge	Approx. 70
Weight	7.35 kg
